2020 Baltimore Summer Funding Collaborative Application

Updated 10/22/2019

You **must** complete the [online application](#). Please use this PDF application for reference only.

Request for Proposal (RFP) Summary

The Baltimore Summer Funding Collaborative consists of over 10 organizations that fund high-quality summer programs serving children and young adults from low-income families in Baltimore City. While funders make grant awards in response to their foundation's specific funding priorities, SFC funders share a commitment to expanding access to high-quality summer opportunities and streamlining the process by which providers can access private grant dollars.

The SFC uses a common application that allows providers to apply for grants from SFC funders with one submission. To be considered for funding, your program should meet the following requirements shared by all SFC funders:

- Primarily serve children and youth from low-income families living in Baltimore City.
- Plan to serve healthy meals to students attending summer programs that operate four or more hours each day.
- Have operated for at least two years. However, if you have not operated a summer program for two years, you can still apply, but you will need to describe your or your organization's experience running other youth programs such as after-school programs, in-school remediation, etc.
- Promote academic and social-emotional growth in children and youth.
- Where applicable, actively welcome and include students of all abilities – learning, physical, and otherwise.

In addition to the general eligibility requirements listed above, each SFC funder has their own requirements and preferences. For some funders, you must include certain documentation in your submission if you would like to receive their funding. Find out more by downloading the [Funder-Specific Requirements](#).

To see the full RFP and related materials and resources, visit bmoresfc.org.

Application Instructions

This common application allows programs to apply for grants from all the SFC funders at once. Please carefully review the [Program Guidance](#) before applying. If you have questions about completing this online application, please e-mail rfps@baltimorespromise.org.

Notes: Indented Questions will only appear if you respond a certain way on a previous question. Also, the statements in *italics* give you guidance about how to answer questions.

All questions with an asterisk (*) next to them must be answered to submit the application. If you do not answer these required questions, our online system, Formstack, will not allow you to submit the application.

This application references previous Summer Funding Collaborative application cycles. If you have applied for funding from the SFC in the past and would like a copy of your application for Summer 2019, please contact Jasmyne Gilbert at [jasmyne\(at\)baltimorespromise.org](mailto:jasmyne(at)baltimorespromise.org) by November 8, 2019 at 5 PM.

Saving and Resuming Your Work

This online application will allow you to navigate between pages without filling in every required field. The system will check that you have completed all required fields before you submit the application.
