

## BALTIMORE SUMMER FUNDING COLLABORATIVE

### 2020 Funder Requirements & Priorities

Below you will find the specific requirements that each funder of the Summer Funding Collaborative has for programs applying for funding. If you would like a specific funder to consider your application, you must meet their requirements as listed.

This document also lists each organization’s funding priorities. While each funder will use these priorities in deciding which programs to fund, the priorities are not requirements for eligibility.

The first two pages of this document show tables that summarize each funder’s priorities and required documents. The remaining pages discuss the requirements in more detail.
